RE: Release to the Division of Oil, Gas
and Mining of CD-24780108
Minerals Recovery Corp.
South Lisbon Mine
ACT/037/018
San Juan County, Utah

Dear Ms. Linschoten:

In cooperation with a request from the Minerals Recovery Corporation the Division is returning the certificate of deposit (CD-24780108), originally taken out January 29, 1979 for the amount of \$7,105.00. An additional certificate No. (71672) was placed in your trust via correspondence dated February 8, 1983 from Pamela Grubaugh-Littig for the same operation. These matters concerned completion of certain reclamation requirements and the subsequent reduction in accompanying surety.

Therefore the Division is requesting that the aforementioned certificate of deposit be returned to the care of Thomas N. Tetting who will present this letter to you. It is understood that the certificate may then be released to the company after authorized signature in the Division. Thank you for your co-operation.

Sincerely,

Cleon B. Feight
